# Electric Cleaner COMPANY

# K-9 BLOWER-DRYERS

**Groomer tested & approved!**

**Available in 14 Colors!!**

Our professional line of quality K-9 Blowers-Dryers are lightweight and portable for shop, home or mobile use. Great for grooming dogs of all shapes and sizes. Warm air heat (no heating element) to prevent damage to the coat and skin. These units dry by creating a large volume of high velocity air to effectively blow water from the dogs coat reducing grooming time. Made of rugged, durable 18 gauge steel and built to last.

## Over 60 Years of Service

Electric Cleaner Company Incorporated has been in business since 1959. All of our blowers and vacuums are manufactured for ease of operation and reduced grooming time.

## Mini K-9

The compact and powerful Mini K-9 is easy to store and transport, making this the ideal Blower-Dryer for dog shows.

- 9.5 Amps, 120 Volts
- Two speeds
- Available in 14 paint colors
